Welcome

The International Ecotourism Society (TIES) is a non-profit organization, actively in operation since 1990. For the 30 years, TIES has been working to contribute to sustainable practice and raise global awareness much needed for ecotourism.

TIES places focus on celebrating global ecological destinations and supporting the people and organizations that are responsible and sustainable in their practices with a respect to our planet. TIES established principals for the protection and preservation of all natural resources are widely acknowledged and utilized in nations all over the world.

In this spirit, we wish to reward and publicly acknowledge, encourage ecotourism and sustainable tourism efforts around the world. We encourage any sustainable tourism endeavor, destination, project, or attraction to submit their work and enter this global contest organized by the TIES Eurasia Chapter.

WIN-WIN

WIN-WIN PARTNERSHIP

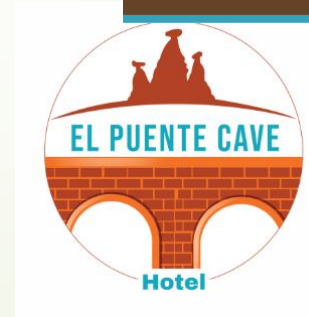

By sponsoring the International Asia Summit 2026 in Pattaya, Thailand, you join a 20-year journey built on purpose — not profit. Together, we protect our planet through responsible ecotourism, turn dreams into reality via MICE events and destination weddings, and create lifelong memories through travel and conferences.

Receive a thank you placard from our founder and certificate from our key note speaker.

Your support amplifies our shared mission of sustainability while giving your brand a powerful platform to be heard. You take a visible stand among the world's most responsible businesses and help shape a better future.
